

NOTES FOR SUBCOMMITTEE ON EXPLOITATION OF FOREIGN
LANGUAGE PUBLICATIONS

I. COMMENTS ON THE FDD SUMMARIES

A. China

Recommend that STC numbers or characters be supplied for organizations, government units, and place names as well as personal names. The STC numbers would be preferable for our purposes and might be easier to supply than the characters.

If the above is impossible recommend that the page reference of the source as well as the date be given so that the original source can be checked more readily.

Which of the papers listed below are being scanned by FDD for inclusion in the summaries:

Jen Min Jih Pao - Peking
Ta Kung Pao - Tientsin
Ta Kung Pao - Hong Kong
Kuang Ming Jih Pao - Peking
Chung Kuo Ching Nien Pao - Peking
Ch'un Chung Jih Pao - Sian
Nei Mong Ku Jih Pao - Hailar
Hsin Chiang Jih Pao - Urumchi
Yun Nan Jih Pao - Kunming
Wen Wei Pao - Hong Kong

B. Other Countries

NSA finds the FDD Summaries for other Far Eastern countries of value to their work. The policy of retaining the names of organizations and parties in the original language along with the translation and giving the expansions to abbreviations is especially helpful. The FDD Summaries contain much information which would otherwise be unavailable to us.

II. QUESTION REGARDING BIOGRAPHIC CARDS PREPARED BY FDD

NSA is receiving cards containing Biographic Information on Eastern European Personalities from FDD. NSA would like to know the degree of duplication to be expected between the information on these cards and the personal identifications appearing in the FDD Economic Reports on Eastern Europe and in the Political and Sociological Information Report on Eastern Europe.
